Mail or deliver completed Application:

Lawrence General Hospital
Volunteer Department
1 General Street
Lawrence, MA 01841

Name: _____

Date of Birth: _____

Directions: Please take this form to your health care provider for completion. The lab tests needed when immunization records are not available may be costly, and you are responsible for payment. Please be diligent in getting your records from your private physician, school record or previous employer.

For Health Care Provider Completion: For this individual to qualify to volunteer at Lawrence General Hospital, there are minimal infection control standards that need to be met. **A list of the standards is on the back of this form. Please complete the form below with special consideration to the following:** If there is no evidence of measles and/or rubella immunity, please administer MMR or draw titer(s). For questions on form completion, 978-683-4000, ext. 2645. Thank You.

Signature of Health Care Provider: _____ Date: _____

A copy of your immunization records or your school health record is acceptable

Occupational Health, 2nd Floor, 25 Marston Street, Suite 204
Lawrence, MA Monday – Friday, 8:30am – 4:00pm

Infection Control Standards for Health Clearance

Tuberculosis Screening and Chest X-Rays. *One of the following is required:*

- A. One (1) PPD Skin test within the *past 12 months and complete a TB Risk Assessment Form.*
- B. For individuals known to be PPD test positive, there needs to be a record of a negative chest x-ray report done by your physician.
- C. Receive the IGRA blood test such as the QuantiFERON – TB Gold blood test or T-SPOT TB.

Measles and Rubella Immunity. The following is required:

- A. Documentation of two MMR vaccines, or
- B. Proof of immunity to measles, mumps and rubella by titer (blood test done by your private Physician. Please note that you will be responsible for payment for this test.)

Hepatitis B Vaccine. For individuals who may be exposed to blood or body fluids during their experience at LGH:

- A. Documentation of the Hepatitis B series, or
- B. Positive antibody test for hepatitis B will be done our Occupational Health Department. LGH will provide this vaccine free of charge to individuals who may be exposed to blood or body fluid during their work.

Chicken Pox: Anyone who does not have a history of chicken pox is **strongly recommended** to get the chicken pox (varicella) vaccine from his/her primary care provider. As an adult, chicken pox can be a very serious illness.

Flu Vaccine: 100% compliance during Flu Season, Usually October – April of every year.

COVID Vaccine: Fully vaccinated: individuals are considered fully vaccinated for COVID-19 two weeks or more after they have received the second dose in a 2-dose series (Pfizer-BioNTech or Moderna) or vaccine authorized by the World Health Organization, or two weeks or more after they have received a single-dose vaccine (Johnson and Johnson [J&J]/Janssen).

To verify COVID-19 vaccination: An official CDC-issued vaccination card (or digital version/ photo) with your name and dates of doses, including the date the last dose was administered printed on the card must be provided.

ASSESSMENT OF SYMPTOMS FOR TUBERCULOSIS

Complete this questionnaire:

Annually for any individual working as a volunteer for Lawrence General Hospital
Prior to the start of service for any new volunteer with a past history of positive skin testing or reported history of tuberculosis disease.

Below I indicate if I have any symptoms related to a possible TB infection. Should I now or at any time in the future have these symptoms I will contact the Occupational Health staff. I understand that I may ask Occupational Health staff or my personal physician for any additional information regarding TB.

Symptoms of TB always include a persistent cough and one or more of the following symptoms. I have indicated below if I have any of the following:

YES	NO	
_____	_____	Persistent cough
_____	_____	Unexplained weight loss
_____	_____	Night sweats
_____	_____	Bloody sputum
_____	_____	Loss of appetite
_____	_____	Fever
